Midwest audiences rave about the vocal harmonies and talents of the Boogie Woogie Babies! This nationally touring group features three of West Michigan's finest singers: Mary Rademacher, Barbara Wisse, and Francesca Amari, with premiere pianist Mark Kahny. The group now has three dynamite shows—the original 1940s Revue, a dazzling B'way revue, and the charming Boogie, Beehives & Beyond! "Each 'Babie' is great in her own right, but when they come together, they're dynamite!"
